

Maple Crest Horse Farm, LLC. HALLOWEEN POTLUCK Thursday, October 30, 2025

The barn was looking good – clean and decorated by Allie and her crew. She received many complements. Maria Berger decorated the upstairs room for the potluck meal – ambience of our fall weather. They definitely have our “Thanks” for all their efforts.

Many came for the party, bringing lots of laughter with them. Music for dancing, horseback riding, just a lot of fun for al.

Think of it – a bunch of friends, music, good food, laughter, great conversation. What more can you ask for an evening’s entertainment.

Such a good time was being had. No one appeared to want to leave. Hanging out on the arena floor or visiting in the upstairs room....it was a great time with friends and horses.
