Ottawa County Horse Foundation

October 31st

November 1st

Saturday, October 31st and Sunday, November 1st held lots of fun for the Maple Crest crew. Allie helped everyone and rode to a First Place with Badger and with flying speed on Smoke. Jill was off and running with Wiskey with Will holding his breath.

Charlotte was awesome on lead line. She will be someone to watch in years to come. Rachel competed in all areas and did us proud! She even ran all out on Cashet. Baylor was highly competitive in all classes entered. Her mom and dad have many years of support to come.

A special thank you goes to Allie for all of her expertise in helping everyone. Maple Crest support crews include those above and JT, Brenda, Margaret, Chris, Jon, Andrew, Joyce and Terry.

Stay tuned for next year!!

It's time to welcome our new Maple Crest Barnies to our group! There's no other way to do it – Have a Christmas Party Potluck!! Be sure to mark your calendar for December 12th from noon to dusk. Bring your favorite food to make and come hungry! We have a lot of great cooks in our midst. Invite your family and your horse friends!! The more the merrier. Maybe we'll finally get Joyce to line dance!

Now that the show season is over, the fall weather has provided us with a colorful show of falling leaves as we do trail riding at Edison Woods and beyond. Remember to watch for emails posting trail ride days, subject to weather conditions. If you're not on our email list, please contact us: (Terry's cell 419-553-7786 or Joyce's cell 419-553-7788).
We'll be glad to add you to our list.
Remember - Experienced riders only!!

Please note: Winter barn hours at Maple Crest Horse Farm are 8 a.m. until dusk, unless you have clearance through Terry or Joyce. We appreciate you cleaning up the grooming room before you leave and put away personal items. Clean out stalls and grooming areas that you may have used for your horses and dispose of the manure. This includes any deposits your horse has made while in the barn arena. Please remember that the last person leaving the barn is responsible for turning off all lights and closing all doors. Thanks in advance for your help in making our barn look good and stay clean! We always get compliments from visitors.
